SECTION 1: PRODUCT IDENTIFICATION

| Product Name: | Cisapride Deschloro |
|---------------|----------------------------------|
| Catalog No.: | ESS0473 |
| Product Use: | For laboratory research purposes |

SECTION 2: HAZARDS IDENTIFICATION

| WHMIS Classification: | | |
|---|---|--|
| | D2B: Toxic material causing other toxic effects. Severe eye irritant. | |
| GHS Classification: | Acute toxicity, oral (Category 5) | |
| | Serious eye damage/eye irritant (Category 1) | |
| GHS Label elements | | |
| Pictogram: | | |
| Fictograffi. | | |
| | \mathbf{v} \mathbf{v} | |
| o | Dener | |
| Signal word: | Danger | |
| Hazard statement: | H302: Harmful if swallowed. | |
| | H318: Causes serious eye damage. | |
| | H373: May cause damage to organs through prolonged or repeated exposure. | |
| Precautionary statement: | P264: Wash hands thoroughly after handling. | |
| | P280: Wear protective gloves/protective clothing/eye protection/face protection. | |
| Response statements: | P301+P312: IF SWALLOWED: Call a POISON CENTRE or doctor/physician if you feel unwell. | |
| Response statements. | P305+P351+P338: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy | |
| | | |
| | to do. Continue rinsing. | |
| HMIS Classification | | |
| Health Hazard: | 0 | |
| Chronic Health Hazard: | No data available | |
| Flammability: | 0 | |
| Physical Hazards: | 0 | |
| Potential Health Effects | | |
| Inhalation: | May be harmful in case of inhalation. May cause respiratory tract irritation. | |
| | May be harmful if absorbed through skin. Causes skin irritation. | |
| Skin: | Causes eye irritation. | |
| Eyes: | | |
| Ingestion: | Harmful if swallowed. | |
| Other hazards: | No data available. | |
| | | |
| SECTION 3: COMPOSITION | / INFORMATION ON INGREDIENTS | |
| | 4-amino-N-[1-[3-(4-flurophenoxy)propyl]-3-methoxy-4-piperidinyl]-2-methoxybenzamide); CQ RC 8 | |
| | H30FN3O4 | |
| Molecular Weight: 431 | | |
| | 472-65-2 | |
| CAS NO.: 157 | +12-00-2 | |
| | | |

SECTION 9: PHYSICAL & CHEMICAL PROPERTIES

| SECTION 9.1 IN SICAL & CHEMICAL I NO | |
|--|------------------------------|
| Appearance: | White solid |
| Odour: | No data available. |
| Odour threshold: | No data available. |
| pH: | No data available. |
| Melting point/Freezing point: | No data available. |
| Initial boiling point/boiling range: | No data available. |
| Flash point: | No data available. |
| Evaporation rate: | No data available. |
| Flammability (solid; gas): | No data available. |
| Lower flammable/explosive limit: | No data available. |
| Upper flammable/explosive limit: | No data available. |
| Vapour pressure: | No data available. |
| Vapour density: | No data available. |
| Solubility: | Acetone, DMSO, Ethyl Acetate |
| Partition coefficient – n-octanol/water: | No data available. |
| Autoignition temperature: | No data available. |
| Decomposition temperature: | No data available. |
| Viscosity: | No data available. |
| Other safety information: | No data available. |
| - | |

SECTION 10: STABILITY & REACTIVITY

| Chemical stability: | Stable under recommended storage conditions. |
|-------------------------------------|--|
| Conditions to avoid: | Not available. |
| Possibility of hazardous reactions: | No data available. |
| Incompatibilities: | Strong oxidizing agents. |
| Hazardous decompositions products: | Hazardous decomposition products formed under fire conditions: carbon oxides (CO, CO ₂), nitrogen oxides (NO _x), toxic |
| | fluorides. |

| NFORMATION |
|--|
| |
| No data available. |
| |
| May be harmful in case of inhalation. May cause respiratory tract irritation. |
| May be harmful if absorbed through skin. Causes skin irritation. |
| Causes eye irritation. |
| Harmful if swallowed. |
| Ine: To the best of our knowledge, the chemical, physical, and toxicological properties have not been thoroughly investigated. |
| |

SECTION 12: ECOLOGICAL INFORMATION

| Ecotoxicity: | No data available. |
|--------------------------------|---|
| Persistence and degradability: | No data available. |
| Bioaccumulative potential: | No data available. |
| Mobility in soil: | No data available. |
| Other adverse effects: | An environmental hazard cannot be excluded in the event of unprofessional handling or disposal. |

SECTION 13: DISPOSAL CONSIDERATION

| Product: | Dispose in a manner consistent with federal, state, and local regulations. |
|-------------------------|--|
| Contaminated packaging: | Dispose of as unused product. |

SECTION 14: TRANSPORT INFORMATION

| DOT (US): | Not dangerous goods. |
|--------------------------|---|
| IMDG: | Not dangerous goods. |
| IATA: | Not dangerous goods. |
| UN number: | Not available. |
| UN proper shipping name: | Cisapride Deschloro, organic compound, solid. |
| Transport hazard class: | Not dangerous goods. |
| Packing group: | Not available. |
| Special precautions: | Ship at room temperature. |
| Packing group: | Not available. |

SECTION 15: REGULATORY INFORMATION

| General: | WHMIS CLASS D2B: Toxic material causing other toxic effects. Severe eye irritant. |
|--------------------|---|
| DSL/NDSL (Canada): | This product is not listed on the Canadian DSL/NDSL. |
| TSCA (US): | This product is not listed on the US EPA TSCA. |
| ECHA (EU): | This product is not listed on the EU ECHA. |

SECTION 16: OTHER INFORMATION

Further Information

The above information is believed to be correct but does not purport to be all-inclusive and shall be used only as a guide. The information in this document is based on the present state of our knowledge and is applicable to the product with regards to appropriate safety precautions. It does not represent any guarantee of the properties of the product. Expert Synthesis Solutions shall not be held liable for any damage resulting from handling or from contact with the above product.
